Explorer la contribution des chaînes de valeur alimentaires aquatiques à la transformation des systèmes alimentaires mondiaux

2025

English

Ce document examine le rôle clé que jouent les chaînes de valeur alimentaires aquatiques dans la sécurité alimentaire et la nutrition. Dans le contexte de la sécurité alimentaire, les secteurs de la pêche et de l'aquaculture fournissent des aliments aquatiques pour la consommation humaine et jouent un rôle clé dans le r

Facilitators' guide book
for farmers' field schools

Manual / guide

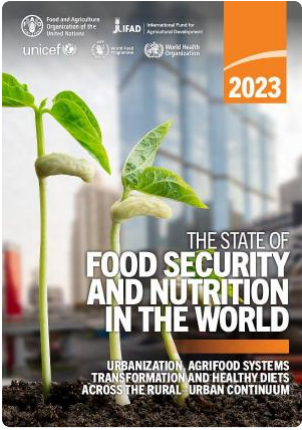

[Facilitators' guide book for farmers field schools](#)

2017

This publication offers facilitators technical guidance to manage field farm schools to support local famers in all aspects of rice crop management. Technical knowledge gained by farmers will revitalize the rice industry in Fiji and assist food security by alleviating dependance on rice imports.
